**Disclosures:**

1. I understand that the U.S. Treasury's Making Home Affordable Program applies only to certain mortgages secured by owner-occupied principal residences.
2. I understand that if the type of real estate loan that I have is not eligible under the Making Home Affordable Program, or I do not occupy the property that

secures the loan for which I am seeking assistance, Define Mortgage Solutions may offer other loan workout options for which I may be eligible.

3. I agree that it is my sole obligation and responsibility to provide all of the necessary required documentation. Failure to do so may cause a delay in the processing of my request or may prevent Define Mortgage Solutions from processing it altogether, as incomplete files will not be evaluated.
4. I understand I may be contacted during the course of the review of my Borrower Response Package if there are questions that must be addressed or additional documentation is required to evaluate my request.
5. I understand that it is my responsibility to continue making my regularly scheduled monthly payments while my request is in line to be evaluated. I further understand that if I fail to make such monthly payments, normal collection activity, including telephone calls and late notices, will continue.
6. Failure to submit all the required documentation or information may result in ineligibility for a foreclosure prevention alternative and the foreclosure proceedings will continue, including referral to foreclosure if the mortgage loan was not previously referred. If the necessary information or documentation is not received within a timely manner there is no guarantee of an evaluation for a foreclosure prevention alternative and/or suspension of foreclosure proceedings.
7. Define Mortgage Solutions is not required to evaluate cases if they have been submitted to the Mortgage Assistance Department less than 37 days prior to a scheduled foreclosure sale however may expedite a decision if the case is complete and there is sufficient time before the sale.
8. I understand a "Short" or "Negotiated" payoff of my mortgage loan may have tax consequences. To determine the extent of any tax liability I will need to contact a tax professional.
9. I understand that , Define Mortgage Solutions will:
  - Accurately report information about this Loan to the three major credit reporting agencies (i.e., Experian, Trans Union, and Equifax).
  - If you agree to/execute a Promissory Note (settlement loan) as a condition of approval for a short sale, the disposition of the loan will be reported to the credit reporting agencies as *"LEGALLY SETTLED FOR LESS THAN BALANCE OWED"*

once the charge off of the remaining deficiency balance is completed. If no settlement was made with respect to the deficiency balance, the loan will be reported to the credit reporting agencies as "CHARGED OFF". Late payments previously reported to the credit reporting agencies with respect to this loan will remain on your credit history.

**Important Information:** Once settlement loan documents have been executed and funded, and the short sale transaction has been completed, you will no longer be responsible for any remaining balances, late fees, or accrued interest. However, you may continue to receive monthly statements and late notices, if the remaining deficiency balance is past due, until the remaining deficiency balance is charged off. In such instances, Define Mortgage Solutions' loan servicing systems may assess late fees and past due interest may continue to accrue until the remaining deficiency balance is charged off. Define Mortgage Solutions is unable to suppress monthly statements and assessments of late fees and accrued interest UNTIL the charge off of the deficiency balance is completed. You should disregard any such monthly statements and late notices. If your SS case is approved your *Short Sale Approval Agreement* will provide the terms of the settlement and any remaining deficiency balances will no longer be your responsibility.

By signing the Instructions and Disclosures, I/we acknowledge that I/we understand the Mortgage Assistance Short Sale application and fulfillment process and that all information submitted is true and accurate. Further, I/we agree to cooperate with any subsequent requests for documentation that may be necessary to complete the evaluation of the Borrower Response Package for Short Sale Request.
